In straight brackets [ ], titles translated by the author.

In grey, movies described more than two times in North Korean primary sources in English language.

(\*) marks movies directly watched (40). Others have been accessed by their synopsis only.

A: adjutant, or assistant of the male hero

O: opposer

SO: minor or secondary opposer

PMA: positive main agent, “hero” and “heroin”

PSA: positive minor or secondary agent, “supporting role”

TS: transformational subject: character experiencing a transformation from opposer to adjutant, from negative to positive
